You can find this document for **FREE** to print plus much more proof at FreedomInAction.net/Proof

This data was derived from tracking over 63 million people. Many doctors and so-called conspiracy theorists were labeled, harassed, fired and allegedly murdered trying to expose this intentional genocide agenda over the last few years. This is undeniable PROOF from government run statistics that they were right. The Globalists are trying to kill us! If you care more about the future of this planet than being called crazy you must distribute this flyer to everyone you come in contact with. This is your duty.

We are moving forward and holding anyone we find complicit in this KILL AGENDA accountable. God Bless us All!
